Full text = exact questions from our archive. **Summary** = taken from copies shared online (Studocu); the meaning is the same but the wording may differ slightly. **Course on the header**: Osmania often sets **one common paper** for LLB 3YDC Sem V and the 5-year course Sem IX (e.g. 2016, 2018, 2021–2023, 2025). Where the copy shows only 'IX semester' or the course line is unreadable, it may be the **5-year paper** — same subject and syllabus, but treat it as a strong guide rather than a confirmed 3YDC paper. A **2024** paper wasn't available publicly.
